Riverpointe

A riverfront community with two large parks, Riverpointe offers choices in new three- to five-bedroom homes. The "Deschutes" floor plan, shown here, is favored for its family friendly flexibility with a main floor bedroom or guest suite, as well as a choice upstairs of an airy loft, a spacious fifth bedroom or a master retreat. Windows and lofted ceilings create natural lighting throughout. Elegant finishes and hardwood floors add to the sense of easy living. And buyers can add their own personal touches using CamWest's customization process.

PRICE

From \$354,950. Two of these homes, at sites 6 and 10, require just \$500 down and monthly mortgage payments are as low as \$2,400.
