

SPRING CREEK

5 Bedroom / 3.5 Bath / Den / Bonus Up / Bonus Down / 2 Car

**PRELIMINARY HOME PLAN
- SUBJECT TO CHANGE**

Sierra

This grand mountain range, called the Sierra Nevada or "Snowy Range" in Spanish, stretches 400 miles north/south along the eastern edge of California. This rugged range includes many familiar names such as Lake Tahoe in northern California, a favorite year-round vacation destination. Yosemite National Park is also part of this dramatic range with awe-inspiring waterfalls and stunning cliffs. Mount Whitney, the highest point in the contiguous U.S., rises out of the Sierra. And the well-loved Giant Sequoia tree grows in a narrow band of groves along the western side of the range.

Sierra w/Basement (1255-1 A)
Cedar Shingles with Board/Batten and Brick

Sierra w/Basement (1255-1 B)
Board/Batten with Stone
